761

A hand-drawn sketch of a city skyline. The drawing includes several buildings of different heights and architectural styles, some with multiple windows. A prominent feature is a bridge with a tall central tower and two shorter towers on either side, supported by several vertical piers. The lines are rough and sketchy, typical of a quick drawing.

Approved For Release 2000/08/08 : CIA-RDP96-00789R000100210015-2
